Sunday, May 4, 10:00 am

The Search Committee presents Karen Quinlan for your consideration. We sincerely hope you will welcome Karen, her husband Paul, and their daughter Catherine when they visit us later this month. We encourage everyone to participate in the various opportunities offered. Keep in mind that Karen will not present a program at the meetings and events scheduled. This is our opportunity to meet and get to know her, and it is her opportunity to meet us and learn about our committees, our practices, and our structure. **Meetings with committees, staff persons, and others are also scheduled. You can see the entire schedule on our website or posted on the bulletin boards at Reeb.**
