

## **Porchlight Holiday Wish List & Just Dane Clothing Drive**

For over a decade, JRUUC members supported **Porchlight**, a non-profit organization that provides services and shelter to Madison's homeless population, by preparing a monthly meal. COVID changed things and churches could no longer provide safe shelter or meals. But we can still help! Let's fill a laundry basket or two with much needed items on the Porchlight Holiday Wish List. Pick up a list from the foyer (or check the list here online) and add something to your shopping list. And if you're looking for gifts to give, check out PorchlightProducts at [porchlightinc.org](http://porchlightinc.org).

**Please drop off at James Reeb before December 21**
