James Reeb UUC Financial Commitment Form
for fiscal year July 2025 - June 2026

Thank you for your financial support of our beloved congregation. Indicating your commitment pledge through this form allows JRUUC to plan accordingly to meet its expenses. You will be sent a year-end statement of your contribution for your taxes. While contribution of treasure is an expectation of membership, pledging is a deeply personal commitment. If you're wondering how much to give, we invite you to consult with the contribution guide on the website, developed by our Stewardship Team.

Pledging as a "sustainer" (meaning you will continue to give this amount on a regular basis for the foreseeable future) is helpful for budgeting purposes. However, we also welcome pledges that are paid annually, for instance via IRA Qualified Charitable Distribution, especially if you let us know when to expect them!

This form can be used for new pledges *and* for changes in pledges. When filling out this form, please include the actual amount you pledge to give for the *next* fiscal year (July 2025-June 2026).
